

Metal Wing Nut Test Plug

The Metal Wing Nut Test Plug is a mechanical device suitable as a temporary or permanent plug for pipe. This is an inexpensive plug for use in DWV pipe where low pressure testing is all that is needed.

Nominal Size	Product Code	For use in	Bypass Size (inches)	Maximum Back Pressure		Model #	Units/Case	Shipping Weight
				Water Head (feet)	Air (psig)			
1 1/2"	88386	1 1/2" DWV Pipe	None	5	2	RWN 1	36	12
2"	88387	2" DWV Pipe	None	5	2	RWN 2	36	24
3"	88388	3" DWV Pipe	None	5	2	RWN 3	36	27
4"	88389	4" DWV Pipe	None	5	2	RWN 4	36	36
5"	88384	5" DWV Pipe	None	2	1	RWN 5	1	1.2
6"	88390	6" DWV Pipe	None	2	1	RWN 6	1	1.8
